

FABRIMEX

**Manufacturing and Trade of Powersupplies and Components
with more than 30 years of experience**

DC/DC converters non isolated 3 up to 75 Watt; 0.75Vdc to 15Vdc

DC/DC converters isolated

Single / Dual / Triple
Various designs
Potted and Open Frame
Industry Standard Pinning
SMD-Versions available
1 to 300Watt; 1.8Vdc to 48Vdc

AC/DC Open Frame

5 up to 1600Watt, 3.3Vdc to 48Vdc

AC/DC external power supplies

Desktop / Wallmount 6 to 150Watt

EMC measurements and troubleshooting by developing proposals for solutions in the laboratory

FABRIMEX - LINECARD

Fortron FSP / 3Y / Protek (Medical Power) (FABRIMEX authorized distributor)

AC/DC and DC/DC open frame and external power supplies for PC and IPC
from 10 to 1500 Watt - Medical Power Supplies

Hengfu Switching Power Supplies

AC/DC Enclosed, Single up to Quin Output,
DIN Rail, Open Frame,

10 to 1000Watt, Mini-Size

LED-Drivers, Open Frame, external power supplies for medical and industrial applications

MAGIC POWER Technology Co., Ltd.,

DC/DC and AC/DC solutions

10 to 350 Watt

IT, industry and medical power supplies, fan-less, waterproof, Open Frame, desktop power supplies, OEM

MEAN WELL

AC/DC and DC/DC power supplies, industry, medical, IT, Din-Rail. external power supplies,
wallmount and desktop, potted versions

PREMIUM, Barcelona - Spain

AC/DC power supplies

enclosed / open frame from 15 to 1000 Watt

DC/DC Stromversorgungen

30 to 500 Watt

Various railway solutions, inverters, competitive customized solutions

Sunpower Technology Corp.,

Development and manufacturing of industrial power supplies
AC/DC and DC/DC, enclosed, Open Frame, Single to Quad Output, 25-600Watt,
External power supplies 15 to 90Watt

Taiyie Technology GmbH a subsidiary of the Kuantech Holding Ltd.

Wallmount switching power supplies, adapters and chargers
from 2.8V to 38V and 3.5W to 120W

Laboratory and Rack Mounting High Voltage Power Supplies

GLASSMAN HIGH VOLTAGE Inc. (FABRIMEX authorized distributor)

High Voltage / System-DC power supplies 15 to 15kWatt; 1kV to 400kV
Laboratory power supplies 15 to 2000Watt; up to 150kV

ADVANTEK Corporation, Korea

DC/DC power supplies for testing / measurement and accessories
Laboratory power supplies Single to triple, 60Vdc to 250 Watt

Winding Parts and Transformers

BV-Elektronik, Prague, Czech Republic

Engineering, development and manufacturing of transformers, suppressors and toroids and other winding parts for electronic industry
